

**PLATINUM IAQ**  
 THE SCIENCE OF CLEAN AIR  
 GERM-KILLING  
 UV LIGHT

**RESPIRATORY HEALTH**  
 You can't see it but the air you breathe has a direct impact on your health. This is not a medical device but it will reduce indoor air pollution which will improve environmental conditions for people with asthma and similar respiratory conditions.

**HVAC MICROBIAL DISINFECTION**

Microbes such as mold, bacteria, and viruses thrive in the cool moist interior of the central air system. Fortunately they have no defense against UV-C light which, in nature, is filtered out by the Earth's atmosphere. The Platinum IAQ™ UV-C Light disinfects air system coils and interior surfaces and sterilizes microbes in the air as it is recycled throughout the home.

- FEATURES**
- UV-C germicidal spectrum lamp
  - Magnetic mounting bracket
  - 24 VAC power supply

- BENEFITS**
- 99.9% Sterilization of AC coil & drain pan
  - Improves the indoor air quality in your home
  - Kills biological growth, bacteria, and viruses
  - Reduces system maintenance
  - Reduces dirty sock syndrome
